

# Autumn Term 2015 Subscriptions

Autumn term subscriptions collection weeks will be **Wednesday 16<sup>th</sup> September** and **Friday 19<sup>th</sup> September**, the second week back for most.

If paying termly or for additional activities causes any difficulty – please speak to any member of the 4<sup>th</sup> team or email one of us? We will of course be able to consider an alternative. Concern over managing payment should not prevent attendance - **but we need you to let us know**. Chasing subs payment takes up valuable time that can be spent on supporting the group!

**4TH SEVENOAKS**

Most activities that take place during section meetings including those offsite from Mill Lane will not need a separate permission form. The subscription form captures all the information we need to contact you if we need to. However certain activities and all overnight activities will require a separate form to attend and we will ask when this is required.

## Further Reminders and Requests!

- **Subs** for the term must be paid promptly unless you have agreed otherwise with a leader or one of us. This **MUST** be accompanied by a subscriptions and parent agreement form. This ensures we have up to date information for section leaders and asks for you to agree to check the programme and keep Section leaders updated with changes to medical or personal information and absence.
- **Absence is not a problem** however we do ask that you inform your SECTION LEADER or one of the ASSISTANT LEADERS
- **The termly programme** for each section is posted online <http://www.4thsevenoaks.org.uk/programme> on the noticeboard at the scout hut and is emailed to you. PLEASE READ IT and encourage your young person to check it every week too. If you need a paper copy please ask.
- **Footwear** must be appropriate to the activity on the programme – school shoes are not ideal at section meetings, when young people are playing games and running around sometimes outside. School shoes are needed for formal occasions.
- **Coats or waterproofs** are often needed - we like to be outside as much as possible – please ensure your young person has one with them!
- **Queries, problems or feedback** should always be raised initially with SECTION LEADERS. If you need further assistance please do contact one of us below!
- **Cubs and Beavers** must be accompanied to the hall across the car park.
- **Car park** – we are lucky to have so much space but please do take care as the evenings get darker and whilst we are still finishing concreting and laying the hardcore to create more areas to park. Once complete please do not block access to the area that will be marked for disabled parking alongside the garage.
- **Volunteer day is Sunday 20<sup>th</sup> September** - morning and afternoon session. Please do try to attend with or without your young people. There is a great variety of tasks to be completed to maintain and improve our facilities and equipment. If you cannot attend please do ask if you can support us at any other time.
